RE: Request for Millings – Acacia Park Cemetery

Dear Mr. Fischer:

I am contacting you on behalf of Acacia Park Cemetery Association to request your support and supply contributions for our seasonal driveway restoration project in the park. Each year our goal is to restore our driveways, throughout the park, for those visiting their loved ones during the holiday season. We respectfully request any assistance with the delivery of millings, standard or fine (preferred), to be used to improve our driveways.

We would greatly appreciate any assistance the Town of Pendleton can provide towards this project that will impact the families and friends who visit their loved ones laid to rest at Acacia Park Cemetery.

Sincerely,

Craig S. Schwalm
President
